
MANOJ INAMANAMELLURI

Hyderabad, Telangana - 500032 |E-mail: manoj.inamanamelluri123@gmail.com| Mobile: +91-7730855454

CAREER OBJECTIVE:

Experienced UI/UX Designer and Fullstack Developer with a profound commitment to shaping seamless, visually striking user experiences. Adept in design thinking, user research, and prototyping, I aspire to play a pivotal role in developing cutting-edge digital products that not only meet user needs but also drive business success. My comprehensive skill set includes a deep understanding of both design principles and fullstack development, allowing me to bridge the gap between user-centric aesthetics and robust functionality. I am unwavering in my dedication to staying abreast of industry trends and emerging technologies, ensuring a constant evolution of my design and development prowess.

PROFESSIONAL SUMMARY:

- ◆ Hand on experience in UI/UX Design using FIGMA, Adobe XD.
- ◆ Mobile application development using Flutter Framework.
- ◆ Extensively used JavaScript, HTML, and CSS for UI development.
- ◆ Able to work independently and as a part of team.
- ◆ Excellent analytical and problem solving and customised to maintain high quality standards.
