

Curriculum Vitae

Full Name:- Mohammed Asif Laeeque

Home Address :- 3-C/1/12/1, Nabil Colony Salala Barkas Road Chandrayangutta Hyderabad

Phone Number: +91-9700153728

Email Address: asiflaeeque.al@gmail.com

LinkedIn Profile: www.linkedin.com/in/mohammed-asif-laeque-541442215

Date of Birth: 12-05-1998

Sex: Male

Objective:

Results-driven and detail-oriented AWS DevOps Engineer with Trainee experience designing, implementing, and maintaining robust and scalable infrastructure solutions. Adept at leveraging automation tools, cloud services, and CI/CD pipelines to streamline development processes and enhance overall efficiency.

Professional Experience:

Full Stack Academy - Hyderabad, India

AWS DevOps Engineer | January 2024 – Present

Automated Deployment Processes (30% Time Reduction):

- Spearheaded the implementation of automated deployment processes, reducing deployment time by 30%.
- Developed scripts and automation workflows using Ansible for seamless and reliable deployments.

AWS Infrastructure Management:

- Managed and optimized AWS infrastructure, ensuring high availability, scalability, and security.
- Configured and maintained virtual private clouds (VPC), subnets, security groups, and route tables.

CI/CD Pipeline Implementation:

- Collaborated with cross-functional teams to design and implement CI/CD pipelines using Jenkins, Git, and Docker.
- Conducted regular pipeline reviews and optimizations to improve overall efficiency.

System Audits and Performance Optimization:

- Conducted regular system audits to identify and resolve performance bottlenecks, enhancing overall system reliability.
- Implemented performance monitoring tools (CloudWatch, Prometheus) for proactive issue resolution.

Skills:

- Cloud Platforms: Amazon Web Services (AWS)
- Automation Tools: Ansible, Puppet, Chef
- Containerization: Docker, Kubernetes
- CI/CD: Jenkins, GitLab CI, Travis CI
- Infrastructure as Code: Terraform, CloudFormation
- Monitoring and Logging: CloudWatch, Prometheus, ELK Stack
- Scripting Languages: Python, Shell scripting
- Version Control: Git
- Networking: VPC, VPN, Route 53
- Security: IAM, Security Groups, NACLs

Languages In proficient :

English, Hindi, Urdu

Certifications:

- Certified Kubernetes Administrator (CKA)
- AWS Certified DevOps Engineer – Professional
- AWS Certified Solutions Architect - Associate

Projects:

Project Name:- CloudOps Fusion

Implemented a fully automated CI/CD pipeline using Jenkins, Docker, and AWS services.

Orchestrated containerized applications using Kubernetes for improved scalability.

Education:

- 1) Bachelor of Technology in Mechanical Engineering, Jawaharlal Nehru Technological University Hyderabad 2021 (GPA): 6.5/10
- 2) MS Junior College and is affiliated with Telangana State Board of Intermediate Education Hyderabad (GPA): 60%
- 3) Indo-American High School and its affiliated to Andhra Pradesh Board of Secondary Education (GPA): 62%

Previous Company:

IEL Engineering Private Limited] - [Hyderabad]

[HVAC Engineer] | [Oct 2021] - [Dec 2023]
