

MOHAMMED IDREES

Hyderabad

Mobile: +91 7780179428

Email: idreesmohammed821@gmail.com

Objective

To leverage my academic background in Business Administration and technical expertise in Data Analytics to contribute to a forward-thinking organization. Seeking a role where I can apply my skills in data analysis, business development, and project management to drive operational efficiency and strategic decision-making.

Education

Bachelor of Business Administration (BBA)

Hyderabad School of Business, Hyderabad – CGPA: 8.0

Intermediate (Class 12)

St. Mary's Junior College, Hyderabad – CGPA: 7.5

High School (Class 10)

International School, Hyderabad – CGPA: 7.5

Certifications

- **Data Analytics Certification** – Focused on advanced data analysis and visualization techniques.
- **Project Management Certification** – Great Learning
- **Intern – Business Development Associate** - Talent Serve

Technical Skills

- Data Analysis Tools: Power BI, Tableau, MS Excel
- Programming Languages: Python, SQL
- Core Competencies:
 - Data Visualization and Manipulation
 - Project and Client Coordination

Key Projects

Sales Performance Dashboard: Created an interactive Power BI dashboard to analyze sales trends, enabling informed business decisions.

Inventory Tracking: Maintain and update inventory records using MS Excel.

Financial Reporting Dashboard: Created a financial reporting dashboard in excel and Power Bi, showing income, expenses, and profit margins.

Strengths

- Analytical mindset with a strong focus on data-driven solutions.
- Effective communication and interpersonal skills for client engagement.
- Proficient in handling complex datasets and deriving meaningful insights.
- Committed to continuous learning and professional development.

Hobbies

- Represented Telangana in National-level football tournaments, winning 1st place twice, which honed my teamwork, leadership, and strategic decision-making skills. This experience taught me how to coordinate effectively with diverse team members, motivate others, and lead under pressure to achieve success—skills that translate directly into professional environments.
